ACTIVITY REPORT

Day-III | 03 June 2026 Academic Guidance and Departmental Exposure Continue.

Date	June 04, 2026	Category	Academic
Department	N/A	Committee	CAREER COUNSELLING AND PLACEMENT

On the third day of the PM-USHA Bridge Course, students participated in enriching counselling sessions on Urdu, Persian, History, and Economics, learning about their academic significance and career prospects. The participants also visited the Departments of Geology, Psychology, Environmental Science, Biotechnology, and Biochemistry, where they explored laboratories, interacted with faculty members, and gained firsthand exposure to diverse academic and research opportunities. The programme continued to broaden students' horizons and strengthen their preparedness for higher education.
